**'From Imagination'**

Waves in love with sea dance insanely  
Threatening peace of a tranquil sea  
Asking him to love whole night  
Seeking attention of love  
She lures him to drink  
A glass of passion  
Drowning him  
To heighten  
Ecstasy  
Feel  
Love  
ecstasy  
In passion  
Soars to peak  
In moonlit night  
To play with beauty  
To content of heart brim  
Under the blues of heavens  
And darkest moments of life to kill  
Love till love reach happiness of ecstasy
