

Love is where there is

by

Kalpna B. Shah

Freelance Writer, Author, and Poet

Mumbai, India

Love is where there is
No reasons only seasons
No questions only answers
No perspiration for each other
Only inspiration for each other
Where there are no hugs and kisses
Only emotions to feel each other
Where contains no passion
Only imagination to feel love
Where there is no hand to hold
On the path there is his presence
No cribbing, no longing, no desire
Only an unconditional love for soul
