

“I do not make an effort”

by

Kalpna B. Shah

Freelance Writer, Author, and Poet

Mumbai, India

I do not make an effort
My poems are like water fall
They are chain of seasons
Highlighting colors of nature
They form rainbow after rain
Displaying beauty of colours
They are life to life listless
Inspiring all to love life
Encouraging and motivating
Are rhymes and rhythms free
Come, read them to love
A life to live again and again
